Dear Mr Butler,

RE: Central Coast Council – Letter of Support – Concept of launching facility

Central Coast Council would like to express in principle support for the concept of Saratoga Sailing Club's proposed launching facility at Saratoga Oval, Willaroo Road, Saratoga.

The project supports a number of objectives of the Central Coast's Community Strategic Plan through the provision of aquatic infrastructure to promote healthy living and increase ease of access to and enjoyment of natural waterways and foreshores.

Should you be successful in achieving funding for this project, Saratoga Sailing Club will be required to undertake detail designs in consultation with Council

In addition, Saratoga Sailing Club would be responsible for undertaking further inspections, investigations and consultation including external parties and the wider community.

Council appreciate your organisations desire and commitment in further developing the recreation reserve and wish you success in your applications.

If in any way we can be of further assistance, please feel free to contact me as per the details below.

Yours faithfully,
